

DEBT SERVICE FUND

The City of Lufkin finances long term capital projects by issuing bonds. Projects such as street construction and improvements, park construction, building and drainage projects are financed with general obligation bonds and certificates of obligation. Both of these debt instruments are repaid through ad valorem taxes collected by the City. General obligation bonds are voter-approved bonds for specific purposes. Certificates of obligation are authorized by the City Council and do not require a vote of the citizens.

Projects for water, wastewater and solid waste purposes such as water and sewer line construction, water and wastewater treatment plant construction, and major equipment purchases are financed with revenue bonds. These bonds are repaid through the revenues collected from user fees charged for services provided. From time to time, combination tax and revenue certificates of obligation are issued for purposes of general government (tax supported) and utilities (revenue supported). This debt is repaid through both ad valorem tax collections and utility revenues in the same proportion as the debt is issued.

The City of Lufkin issues general obligation bonds and certificates of obligation for a term of generally twenty years. The Debt Service Fund accounts for the accumulation of resources for, and the payment of general long-term debt principal and interest. The resources of this fund are generated by a tax levy based on property values and transfers from utility funds for their share of outstanding debt.

The State of Texas limits the ad valorem tax rate to \$2.50 per \$100 valuation. Lufkin's maximum rate, as set by City Charter, is \$1.75. The current ad valorem tax rate is \$0.5554. Although there is no other legal debt limit, the City's policy is to maintain a general obligation debt limit wherein the total outstanding tax-supported debt shall not exceed 5% of the total annual taxable assessed valuation of taxable property. The City's total taxable assessed valuation for Fiscal 2008 is \$1,704,692,895, which, when calculated, provides a policy debt limit of \$85,234,645. The City's total estimated outstanding debt for Fiscal 2008 is \$46,690,000.

Additional tests of indebtedness include Net Debt per Capita (\$) and Ratio of Net Debt to Assessed Value (%). According to the 2000 census, the City's population is 32,709. Based on this figure, the ratios are as follows:

$$\text{Net Debt Per Capita} = \frac{\$46,690,000 \text{ (Net Direct Debt)}}{32,709 \text{ (Population)}} = \$1,427.44$$

$$\text{Ratio of Net Debt to Taxable Assessed Value} = \frac{\$46,690,000 \text{ (Net Direct Debt)}}{\$1,704,692,895 \text{ (Assessed Value)}} = 2.74\%$$

The subsequent table reflects the allocation of the property tax levy between Debt Service and General Fund Operations for Fiscal 2008 and the previous four years.

	<u>Fiscal</u> <u>2004</u>	<u>Fiscal</u> <u>2005</u>	<u>Fiscal</u> <u>2006</u>	<u>Fiscal</u> <u>2007</u>	<u>Fiscal</u> <u>2008</u>
Debt Service Fund	\$0.202200	\$0.202200	\$0.202200	\$0.202200	\$0.202200
General Fund	<u>\$0.356300</u>	<u>\$0.356300</u>	<u>\$0.356300</u>	<u>\$0.353200</u>	<u>\$0.353200</u>
Total Tax Rate	<u>\$0.558500</u>	<u>\$0.558500</u>	<u>\$0.558500</u>	<u>\$0.555400</u>	<u>\$0.555400</u>

The steady increase in taxable value related to both property reappraisals and new construction value additions has allowed the City to maintain a flat tax rate for several years. A tax increase of $\frac{3}{4}$ cent as well as a shift of one cent from the operating and maintenance portion of the tax rate to debt service was included in the Fiscal 2000 budget to fund the 1999 Capital Improvements Program. In May 2001, citizens approved a \$7,686,322 Street Bond Program (2001 Street Bond Program) that required a 6.4-cent tax increase to fund. As a result, tax increases of 2.2 cents per year in Fiscal 2002 and 2003 have been approved in the debt service portion of the tax rate. The third, and final, increase was included in Fiscal 2004 and amounted to a 2-cent increase.

Council adopted a Continuing Capital Improvements Program (CIP) in the fall of 1999 to be financed with Certificates of Obligation (CO). Four bond issues have been sold; one in Fiscal 2000 for \$4,400,000, a second in Fiscal 2002 for \$9,450,000, and a third in September 2003 for \$1,700,000, and a fourth in Fiscal 2004 for \$8,200,000 and a final issue of \$7,610,000 in June 2007.

Debt Service Fund is used to account for the accumulation of revenues, i.e. ad valorem taxes and interest income, for the payment of principal and interest on general long-term debt. The first schedule, on page 270 reflects the City's Debt Service Fund. The fund balance in the Debt Service Fund is maintained so that funds can be accumulated to pay the City's general long-term debt obligations with a minimum impact on the tax rate. Consequently, the amount remaining in the fund balance will vary from year to year with the bond financing activity of the City. The minimum fund balance goal to be maintained by the City is 10% of debt service for that year.

The tables, on pages 271-283, detail the Debt Service Fund and each current outstanding bond issue that is owed by the City. The tables show the date of issue, the years remaining on the payment schedule, and the amount of principal and interest due in each year. The first debt service table is a summary of all outstanding issues.

REVENUE BOND DEBT SERVICE

Revenue bond debt service is paid from the revenues of the Utility System. Standard and Poor's and Moody's Investment Service have rated the City's Certificate of Obligation bonds A1 and A+, respectively. Total outstanding debt at October 1, 2007 is \$14,375,000 and the scheduled payment of principal and interest including fees in Fiscal 2008 is \$1,107,722.

The City entered into agreements with the Army Corps of Engineers in 1970 and 1976 to purchase surface water for present and future water supply rights from Lake Sam Rayburn. The 1970 agreement included the purchase of 18,000 acre-feet of water from the Corps at a cost of \$220,000. The purchase price, financed by a note payable, spans a period of over 50 years at 2.591% interest. As of January 1, 2007 the City had repaid \$141,460. The balance of \$78,541 is scheduled for payment, in full, on January 1, 2019. The second agreement entered into with the Corps was for the purchase of 25,000 acre-feet of water. The total cost of this purchase was \$305,600 to be repaid over a 40-year period at an interest rate of 2.591%. The City currently owes \$86,059 on this note.

The Texas Commission on Environmental Quality (TCEQ) has sanctioned the City to replace approximately 54 miles of asbestos cement water pipe. This project is expected to take six years to complete at a cost of approximately \$16.0 million. The City has received approval from the Texas Water Development Board (TWDB) for a \$16.0 million loan with which to replace these lines. The loan takes the form of a bond issue, which the TWDB sells. The City draws on these funds at regular intervals, at which time interest begins to accrue on the drawn funds. The first draw was dated November 1, 2000 in the amount of \$715,000. Draw #2, dated July 2002, amounted to

\$1,960,000; draw #3, filed with the TWDB in September 2002 amounted to \$1,600,000; draw #4, dated May 2003 for \$1,835,000; draw #5, dated December 2003 for \$1,210,000; draw #6, dated December 2004 for \$845,000; draw #7, dated April 2006 for \$1,065,000; draw #8, dated December 2006 for \$2,660,000; draw #9, dated March 2007 for \$1,065,000. Two draws are anticipated during Fiscal 2008 for a total of \$3,045,000. For budget purposes, November 1, 2007 and May 1, 2008 has been used as the “dated” date for these draws. Draws #10 and #11 will complete funding for the water line replacement project.

The CIP includes approximately \$6.8 million of water and sewer projects. These projects are financed with combination tax and revenue certificates of obligation. This debt is reflected in the General Obligation Debt Service Fund as part of the tax supported debt; however, funds from the Water/Wastewater Utility are transferred to the Debt Service Fund each year to cover the debt service associated with any revenue-supported projects. Consequently, of the \$9.75 million issued in Fiscal 2002, \$1.9 million was for water and wastewater projects. In Fiscal 2004, \$8.2 million was issued with \$2.2 million for water and wastewater projects and in Fiscal 2007, \$5.87 million was issued with \$1.21 million for water and wastewater projects. This was the final issue for the CIP. The amount to be transferred to the Debt Service Fund in Fiscal 2008 is \$1,761,574.

The tables relating to Revenue Bond debt on pages 284 through 297 include each current outstanding bond issue owed by the City, including the \$3.045 million scheduled for withdrawal from the Texas Water Development Board loan in Fiscal 2008. The tables reflect the date of issue, the years remaining on the payment schedule, and the amount of principal and interest due in each year. The first Revenue Bond table is a summary of all outstanding issues.
